The **PMA** is the premier association for over 90 top national movers in South Africa. The PMA has always served as an accreditation body by setting professional standards for the removal industry and offering its members and clients a guarantee of superior service, quality and peace of mind.

of mind.

Lions Clubs meet the needs of local
communities and the world. The 1.35 million members
of our volunteer organization in 206 countries and
geographic areas are differnet in many ways, but share a
core belief - community is what we make it!

venture
collect unwanted
items and
redistribute it
to those in need

Aim of the venture:

The 179 Lions Clubs spread throughout South Africa, Namibia, Lesotho and Swaziland making up District 410 of Lions International are in a joint venture with the Professional Movers Association (PMA) to distribute donated goods to those who need it.

When PMA clients move from one home to another or to another country, it creates opportunities to collect unwanted items (clothes, furniture, sports and gym equipment, tools and machinery, spectacles, electrical appliances and office equipment) and redistribute it to those in need without inconvenience to the Donor.

The Lions Club will give Donors additional comfort in knowing that all goods donated will be channeled to worthy causes and hopefully encourage them to "spring clean" their homes for a worthy cause. PMA members have access to the generosity of many South Africans. Lions Clubs have access to the many organizations and groups of people in need of support.

This creates the opportunity for a worthy joint venture to serve the communities throughout South Africa.
